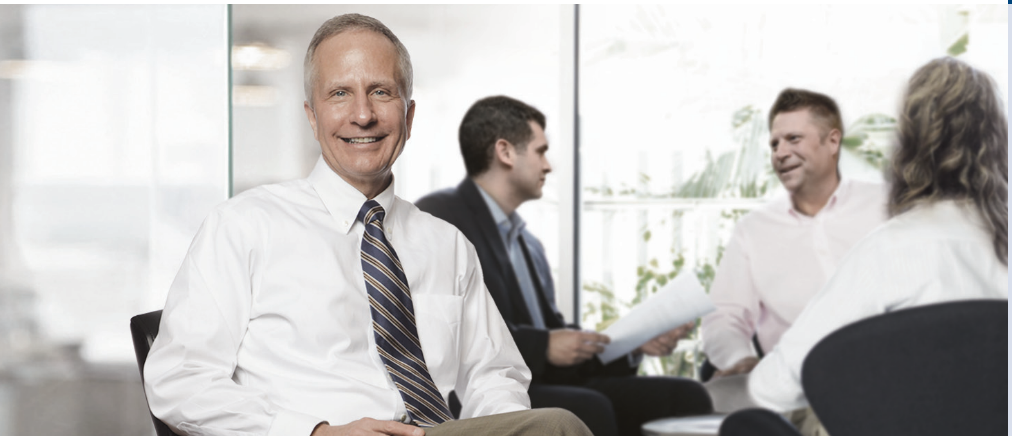
Second-Opinion Service



"We've seen first hand that a second opinion can uncover what's really possible."

Our second-opinion service exclusively for friends, family and associates of our valued clients

In this challenging economy, you probably know a friend, family member or colleague who may be in a complex situation or just unhappy with the advice from his or her financial advisor – it's not uncommon. We've seen first hand that a second opinion can uncover what's really possible.

In order to help the people you care about achieve their financial goals, we have created a complimentary, no obligation second-opinion service. We're pleased to offer your friends, family members and associates the same expertise and guidance that you have come to expect as a valued client of Mark Aho Financial Group.

What to Expect from Our Second-Opinion Service

We will meet with your friends, family members and associates for a Discovery Meeting. Assuming that we both agree that we have a basis for working together, they will return for the Investment Plan Meeting. Hopefully, we can confirm they are on track to fulfill their values and achieve their goals with their current financial provider. If needed, we will suggest ways in which we can help, including recommending another provider if we are not a good fit for their needs. Either way, they'll receive a Total Client Profile and a personalized analysis of their current situation.
